COMPANY PROFILE

MM & IM is a specialised service center fine-tuned to offer not only professional Electrical, Data and Communications work, but also Carpentry, Plumbing, Fabrication, Concreting, Construction and Facility Management Services. Since its establishment MM & IM has been providing services throughout Moranbah and the surrounding areas as well as Mackay and coastal areas. We at MM & IM pride ourselves on having a reputation for high quality performance, reliability and safety.

Established in 2004 by Managing Director Zane White, MM & IM has come to know the Mackay & Isaac regions and understands the need for quick, efficient, professional service and is committed to delivering on time, to ensure desired project outcomes are met with minimal downtime. We have the ability to service all trade areas of the Mackay & Isaac regions including industrial, commercial and domestic works.

“We are devoted to build, nourish and maintain a happy and satisfied client base through superior quality and creating long term business relationships with customers, suppliers and employees.”

Moranbah Airport Project

Moranbah Gym Upgrade

Our works range from community projects, to domestic works, commercial jobs through to industrial mine site projects.
